

## Use the cork surface to promote your winery

Your die can be printed vertical

or circumferential

Use the whole surface for your text and motif

## Layout of dies on a cork surface

Version June 2005

Page 2/2

Korkindustrie  
Trier

---

The fond should be clearly readable  
and strong

A clear motif has a better effect on the  
cork surface

We realize your corporate logo in a cork die, independent of the ordered quantities.

Do not hesitate to contact us for further information.
